

# ENOUGH FOR ME

*by Allie Paige*

Intro – **D Emin D**

**D**

I am safe and sound

**F#min**

Inside of your heart now

**Emin G D**

I can feel the warmth of Heaven all around

Oh you bring me in

And say that I am home

And the softest whisper carries me to lands unknown

At your right hand

My whole life is found

I don't ever want to leave your side from here on out

My heart is glad

I've never felt more alive

For your love carries me to highest the heights

**C Emin D**

You are enough for me

**C Emin D G**

You are enough for me

**C Emin D**

You are enough for me

**C Emin D**

I won't go wanting
