

# FALL

by Allie Paige

Intro - **F#min G D A**  
**Bmin G D A**

**D F#min**

I'm trying to stay

**Bmin A**

Right here

**D F#min**

But I keep on falling

**Bmin A**

I keep on falling

I'm learning your grace

As you pull me near

It's new every morning

It's new every morning

I'm letting you in

To all of my pain

'Cause I need your healing

'Cause I need your healing

**F#min G D A**

I fall into your loving arms

**Bmin G D A**

I fall

**F#min G D A**

As I fall, my pain it breaks apart

**Bmin G D A**

As I fall

Through the darkest night

Your love it carries me on

Through the heavy times

You're making me strong

I'm trying to stand

In spite of my fears

I won't keep falling

I won't keep falling

I'm letting you in

So won't you come near

'Cause I need your healing  
I need your healing
