## IN YOUR MIDST

by Allie Paige

C I come to sit at your feet To drink from the fountain of life How it satisfies No where else do I want to be Amin The warmth of your heart is enough It's enough for me C I've come to have communion with the King To sit at the table and dine with the **Highest Priest** To know just what's on your mind Amin The secret of Heaven I'll live To search to find **CHORUS:** So hide me deep inside your heart Lord Cover me with your wings Bring me into safety Amin Bring me into fellowship with who you are Lord Father, Son and Spirit This is all I long for (To be in Your Midst)

## **BRIDGE:** F Amin G This my hearts desire Amin To know you and be known To know you and be known (by you Jesus) (x4) G Amin This my hearts desire To know you and be known To know you and be known by you Jesus (x2)Amin So hide me deep inside your heart Lord Cover me with your wings Bring me into safety Amin Bring me into fellowship with who you are Lord Father, Son and Spirit

This is all I long for
